**Subject:** Cap Inspection request following storm event  
**Date:** Monday, October 06, 2014 9:52:57 AM

---

David,

Please consider in conducting a cap inspection following a string of strong winds and storms passing through Texas. I'm not sure about the area surrounding the San Jacinto cap, but I know here in the DFW metroplex, there are still many areas without power following last Thursday's passing storm event.

Sincerely,

Valmichael Leos
